

## **Airport Transfer**

### **Public transportation (20-40 words)**

Krasnodar International Airport (KRR) is 12 km outside the city center. Public busses and minibus services run between the airport and the city center. It takes about half an hour to get between the two.

### **Taxi (20-40 words)**

A taxi journey between Krasnodar International Airport and the city center takes about half an hour. It's unlikely the taxi driver will speak English, so having a Russian phrase book handy is a good idea.
