

What to do when carrying a sporting rifle on flights

Transportation of hunting equipment on domestic flights

1. Go to police checkpoint and hand over your rifle.
2. Contact the counter and give rifle information.
3. Go to the Ticket Sales Office and complete rifle carrying payment (if there is a charge).
4. Contact the officers at the counter to obtain a rifle label.
5. Go to the police checkpoint and complete remaining procedures.

Transportation of hunting equipment on international flights

1. Go to police checkpoint and hand over your rifle and the necessary documents (sales invoice of the rifle, boarding pass, a photocopy of passport/ID).
2. Contact the counter and give rifle information.
3. Go to the Ticket Sales Office and complete rifle carrying payment (if there is a charge).
4. Contact the counter to obtain a rifle label.
5. Proceed to the police station, with an assigned security personnel to complete the remaining procedures.
6. With a security personnel, apply to the Customs Enforcement Office to complete customs procedures.
