

Public Transportation (20 - 40w)

It's about 28 km from Guangzhou Baiyun International Airport (CAN) to anywhere in the city center, and it's easy to get there either with city buses or airport services. City buses cost between 4.5 and 13.5 euros, with shuttles between 2 and 4 euros. The ride takes between 50 to 90 minutes depending on traffic and routes.

Taxi (20 - 40w)

It's very easy to take a taxi from the airport to the city center and costs about 20 euros to make the 28 km journey.
