

Public Transportation (20 - 40w)

Vnukovo International Airport (VKO) is 32 km outside the city center, and is accessible by train and bus. The Aeroexpress trains are probably the easiest way to make the journey, which leave on the hour between 06:00 and midnight. The journey takes 35 minutes and a ticket costs 5 euros. You can also take any bus from the airport to a metro station, which will then take you to your destination in the city center.

Taxi (20 - 40w)

If you want to take a taxi from Vnukovo International Airport, be aware that traffic in the city is notoriously bad. Without traffic, the journey will last about 30 minutes and will cost between 15 and 22 euros.
