

Public Transportation (20 – 40w)

New York John F. Kennedy Airport (JFK) is 40 km from the city center and is easy to get to using public transport. The NYC Airporter shuttle goes to either Grand Central or Penn Station for 16 dollars, and the Express Shuttle goes to Manhattan for 14 dollars. The Subway and train lines also go to and from the airport.

Taxi (20 – 40w)

It's very easy to get to the city center from New York John F. Kennedy by taxi. A trip in a yellow taxi will cost around 55 dollars to go all the way to the city center.
