

Public Transportation (20 - 40w)

Shanghai Pudong International Airport (PVG) is 47 km from the city center and it's easiest to get between the two by train. There's a Maglev train station next to the airport, with trains running between 06:45 and 21:40 to the city center, with tickets costing about 8 euros.

Taxi (20 - 40w)

If you want to get to the city center by taxi, it costs between 20 and 25 euros depending on where in the city you want to go, with the journey taking about 50 minutes.
