

Public Transportation (20 - 40w)

It's 23 km from Pulkovo International Airport (LED) to the city center. Buses 39, 39A, and K39 Minivan Taxis run between the airport and the Moskovskaya, the nearest metro stop. The 39A express bus is a 15-20 ride (running from 05:30 to 00:30 and departing every 25 to 30 minutes), the 39 bus is a 30 to 35 minute ride to the metro (running from 05:30 to 01:30 every 12 to 20 minutes). The K39 Minivan Taxi runs from 07:00 to 23:30 and departs every 5 minutes and takes about 15 to 20 minutes. All three are available from the arrivals terminal and it's easy to get to the city center from Moskovskaya metro station.

Taxi (20 - 40w)

Taxis from Pulkovo International Airport (LED) to St. Petersburg's city center cost about 15 euros and take about 25 minutes to get there. Taxis depart from in front of the arrivals terminal.
