

**Public Transportation (20 - 40w)**

There's a 30 km journey to make between Toronto Pearson Airport (YYZ) and the city center, and bus is the best way to get between the two. There are several bus services running from the airport, with prices starting from 3 dollars. You can also use the 192 Airport Rocket bus service to get to Kipling metro station. The 300A and 307 night buses also run between 01:00 and 05:30.

**Taxi (20 - 40w)**

If you'd prefer to take a taxi from Toronto Pearson Airport, the journey will last between 30 and 60 minutes, depending on traffic, and will cost anywhere between 50 and 70 dollars.
