

Public transport

You can reach Denver city center from the airport using the SkyRide bus service. The distance between the airport and the city center is 40 km. The buses run 3:30–0:00. It costs \$9–\$13 dollars to get to the city center and the journey takes 40–45 minutes. The Skyride buses leave every 15 minutes from the 5th bay of the airport terminal or from the front of door numbers 506 and 510.

Taxi

If you don't want to waste time waiting for the bus service, you can get to the city center using the taxi service that runs from the airport. The average cost of a taxi from the airport to the city center is \$56 and the journey takes about 35–40 minutes.
