

**Public transport**

You can reach Melbourne city center from the airport using the SkyBus service. The distance between the airport and the city center is 25 km. The SkyBus service departs every day at 10 minute intervals. It costs 18 Australian dollars to get to the city center and the journey takes about 20 minutes. You can also get to the Broadmeadows stop using the number 901 SmartBus and then take the metro from there to the city center.

**Taxi**

If you don't want to waste time waiting for the bus service, you can get to the city center using the taxi service that runs from the airport. The average cost of a taxi from the airport to the city center is 60 Australian dollars and the journey takes about 30–40 minutes.
