

Public Transport

Alexandria city center is 40 km from the airport and during the daytime you can get there using the number 555 public bus service. It costs 10 Egyptian pounds and the journey takes around 1 hour.

Taxi

If you don't want to waste time waiting for the public bus service, you can get to the city center using the 24 hour taxi service at the airport. It costs 200-250 Egyptian pounds to use this professional taxi service and travel to the city center in a limousine-type luxury car. Alternatively, you can bargain with the drivers of the blue taxis at the airport and get to the city center for 20-25 Egyptian pounds. The yellow taxis bringing people from the city center to the airport will also take passengers on their return journey to the city center if they have empty space. To get to the city center with this service costs about 100-150 Egyptian pounds.
