

**Public Transport**

There is no public transport from the airport to Douala city center.

**Taxi**

You can get to the city center using the taxi service that operates from the airport. As the drivers don't use a meter, you will need to negotiate the price. If you are prepared to bargain, you can get there for around 5,000–8,000 Central African CFA francs. The journey takes around 20–30 minutes.
