

**Public Transport**

Khartoum Airport is located on one of the busiest roads in the city center. However, there is no public transport from the airport to any other places.

**Taxi**

The 24 hour taxi service that operates from the airport costs 20–25 US dollars and can take you wherever else you need to go in the city. It takes about only 15 minutes to get to the city's furthest point depending on flight arrival times and traffic congestion.
