

## **Public Transport**

Kabul city center is 3 km from the airport and there is no public transport service.

## **Taxi**

You can get to the city center using the taxi service that operates from area C of the airport between 07:00 and 18:00. As the taxis do not have meters, you will need to negotiate the price. The average cost of a taxi from the airport to the city center is 200–250 afghani.
