

Public Transport

You can get from Luxembourg airport to the city center using buses 16, 9 and 114. Tickets cost €2 and can be bought either from the automated machine at the bus station, the bookstore called Kiosk located in the airport building or directly from the bus driver. The city center is 8km away and it takes around 25 minutes to get there by bus.

Taxi

It takes around 15 minutes to reach the city center using the airport taxi service by the airport exit and the cost is about €45.
